

## CERTIFICATE OF 25 YEAR GUARANTEE

Octowood are very proud of their 25 year guarantee that they offer for Octoposts. While they strongly believe that an Octopost will never rot during that period, they stand firmly with the promise that if a post rots within that period, they will replace the post. Full terms below

### Terms of guarantee

The item will have been supplied by Davies Implements Ltd or an authorised Octopost stockist. Proof and date of purchase must be provided.

### Exclusions

- Any use for which they were not designed
- Mechanical damage
- Warranty ceases if fence dismantled and re-erected
- Loss of colour
- The post should not be reduced in length of cut into.

### Undertaking

The warranty is for the cost of re-supply, by Octowood AB, of a component that is proven to have failed as a result of fungal decay or insect attack, free of charge. It does not cover the costs of removal or reinstatement of such components or consequential costs or loss due to failure of the component.

The term 'fungal decay' as used in the warranty refers to wood destroying fungi that feed on and degenerate the wood cell walls. It excludes staining and mould fungi associated with the weathering of wood.

The term 'failed' refers to damage caused by fungi to such an extent that the component is no longer fit for purpose.

Warranty backed by: Octowood AB., Vackernaset 214, SE 840 64 Kalarne, Sweden
